Dear Jeff:

The other light poles for Santa Monica and Highland (bus stop on the north west corner?)  
- That one is still missing don't forget about it.

Also two light poles are on 24-7 since this past Monday June 27th at the north west corner of Santa Monica and Vine. I advised the crew that was working on the installation. They stated that they would check it out if they had time. I took a photo but it would not send. Oh well.

Thanks again for a terrific crew and response time.

Happy 4th of July.
